

PiLogger::sendUpdate

```
graph LR; A[PiLogger::sendUpdate] --> B[ExoData::get_status]
```

A diagram showing a call from PiLogger::sendUpdate to ExoData::get_status. The first box, containing 'PiLogger::sendUpdate', is shaded gray. A blue arrow points from its right side to the second box, which contains 'ExoData::get_status' and has a white background. Both boxes have a dark gray border.

ExoData::get_status
